

BOHEMIAN BLISS

Yoga & Coaching Retreat
Unakuruwa, Southern Sri Lanka
24 - 29 May 2027

Come home to you

A deep-dive sanctuary for the soul.

This intimate, week-long immersion blends nervous-system-informed yoga with intuitive coaching to help you bridge the gap between "circling a dream" and taking grounded action.

Through a curated rhythm of twice-daily movement, 1:1 psychometry readings, and intentional rest, you'll shed internal blocks and return home with a clear, actionable roadmap for your next chapter, without blowing up your life.

Your inclusions

Twice daily yoga (morning and afternoon)

1 x daily Sound bath or Guided meditation

1:1 coaching session (including psychometry reading)

2 x group coaching sessions for intention setting (during the retreat)

Assistance with organising optional add-ons e.g. surf lessons, surfboard hire, kayaking, temple tours, classes from visiting specialists etc

Time to explore and experience the south

In a peaceful jungle setting, a short walk from the ocean

Your retreat space is a combination of thoughtfully designed private rooms and open communal spaces, surrounded by nature, making it the perfect place to pause, settle and replenish

with a community of like-minded people.

Surrounded by tropical greenery and just a short walk to the ocean, this peaceful space, tucked away from the bustle of the city, invites you to settle in and simply be.

You can choose from:

A private cottage with your own bathroom and balcony (4 cottages available)

A private room in shared villa with your own (shared) bathroom (2 rooms available)

Your own room in a shared villa with shared bathroom (1 room available)

Meals included:

5 nourishing breakfasts
and 5 wholesome dinners

Designed to help you move from confusion to clarity through embodied practice, structured coaching, and intuitive insight, this retreat is for you if you have ever wanted to achieve a dream, realign your purpose and regain your sense of who you are again.
